INBA European Elite Tour

What is INBA European Elite tour?

1. INBA European Elite Tour is a competition program in Europe, in which can participate every athlete of our partnership organizations.
2. Competitions are organized by promoters of our partnership organizations.
3. INBA Global Europe gives approbation /entrust the partnership organizations/ to promoters to organize a competition, which is part of Elite Tour.
4. Program of competitions is announced in advance for one season/year.
5. Competition, which is part of Elite Tour can be held in every country only once a year.
6. A part of Elite Tour can be only cup competitions, or national championships with international character.
7. If any competition is a part of Elite Tour, participate can also athletes who do not want to be part of the ranking.
8. World Championships and European Championships are automatically part of Elite Tour.

Athletes

1. Athletes, who want to be a part of Elite Tour have to meet these following criteria:
 - Athletes have to be members of partnership organization in their country. If that organization does not exist, athletes can represent their country as individual competitor of natural bodybuilding.
 - Every athlete has to own valid INBA Global Europe card. This card can be bought at European Championships and World Championships, or an athlete can order it at inbaglobaleurope@gmail.com and will be send by post.
2. Athletes do not have to participate at every competition, which is a part of Elite Tour.
3. After purchasing INBA Global Europe card, athletes are included in ranking, in which they collect points based on their placement in competition.
4. Athlete is included in rankings in one category only. For example, athlete who competes in Sport Model and Fitness Bikini category has to choose at the beginning of the season which ranking she prefers.
5. Every athlete has the right to decline the prize.
6. Athlete will be registered in electronic system, which serves for processing the results and ranking of Elite Tour.
